

# ANNUAL WAREHOUSE SALE

PENINSULA HOME COLLECTION

# Our Story

Peninsula Home Collection is a family run furniture company out of Orange County, California. PHC was founded in 1996. Starting out as a small retail store, Peninsula grew into the wholesale furniture manufacturer they are today.

With all the upholstery bench made by craftsmen in California and case goods hand built in South America, you can expect an exceptional product. Peninsula accommodates hospitality projects and highly customized individual products making them a very niche supplier and highly valuable to local designers.
